HOTEL TIVOLLI

PROJETO

This exhibition stand represents Russia. It features a Russian flag at the top left and a large central image of a traditional Russian soup, likely borscht, served in a wooden bowl with dumplings and fresh vegetables. The stand is constructed from light-colored wood with a black frame and a black countertop.

This exhibition stand represents Germany. It features a German flag at the top left and a large central image of a beer and wine bar setup, including a glass of beer, a glass of wine, and a bottle. The stand is constructed from light-colored wood with a black frame and a black countertop.

This exhibition stand represents Japan. It features a Japanese flag at the top left and a large central image of a sushi platter. The stand is constructed from light-colored wood with a black frame and a black countertop.

This exhibition stand represents Italy. It features an Italian flag at the top left and a large central image of various Italian dishes, including a pizza, pasta, and a salad. The stand is constructed from light-colored wood with a black frame and a black countertop.
